

Garbage Collection

<p>Garbage from the Earthquake</p> <p>(Not including typical household garbage, but only that which has arisen due to earthquake)</p>	<p>BEING COLLECTED</p>
---	------------------------

- ※1 Please be wary of pedestrians and emergency vehicles when putting out your trash.
- ※2 Garbage from the earthquake **must be separated** into “burnables” and “landfill garbage” using clear plastic bags. However, household electronics subject to regulation (e.g., air conditioners, televisions, refrigerators, washing machines, laptops) **will NOT be collected** by the city. Please refer to the “Calendar for Recyclable Garbage Collection” to dispose of such items on the appointed day.

※3 Burnable garbage that has arisen due to the earthquake can be brought directly to both the Eastern (Tobu) or Western (Seibu) Environmental Plants. Landfill garbage and household wreckage/scrap material that has arisen due to the earthquake can be brought directly to the Oogida Environmental Center.
Garbage will be accepted from Mondays to Saturdays, 8:30am to 4:30pm. However, May 1st (Sun) and May 8th (Sun) will also be special collection days. The collection is free if you complete the application process.
