No.13-3 (Life)

Dedicated Call Center for Households without Water (update)

1. The water supply has been restored in all areas of Kumamoto City.
2. Provision of water at water supply stations finished on May 2.
3. Please call us immediately if the water supply stops.
4. Available 24 hours a day
5. Tel: 096-381-5600

From May 3 onward, emergency water supplies will be operating in the following two locations.

Water Supply Stations	Address	Operating Hours
Kumamoto City Waterworks & Sewerage Bureau	6-2-45 Suizenji, Chuo-ku	8:00 am to 8:00 pm
Kumamoto Ferry Terminal	1-1 Shinminato, Nishi-ku	11:00 am to 7:30 pm

As the emergency water supply operating hours vary daily, please check the Kumamoto City Waterworks & Sewerage Bureau website for exact times (www.kumamoto-waterworks.jp).
