

Supplying School Textbooks and Supplies for the Kumamoto Earthquake Disaster

[Aimed for the following individuals]

Elementary, junior, and/or senior high school students whose school supplies were lost or damaged due to total or partial destruction of residence, causing interference to their studies.

*Actual school supplies will be distributed.

*Decision on degree of damage will be determined through a housing survey by the tax administration.

[Items Distributed]

(A) Nationally designated school textbooks and other textbooks approved by the Board of Education, workbooks, and other study material such as problem-solving drills.

(B) Stationery

(C) School supplies

(D) Other school items such as gym shoes, gym clothes, instruments like harmonicas

[Application Procedures]

Individuals must submit an application form through the school they are registered in.
