**Counseling for Kumamoto Earthquake Victims  
at Kumamoto Children's Consultation Center**

We offer counseling services for children and young adults needing assistance; and for children and parents/guardians requiring emotional and other kinds of support due to 2016 Kumamoto Earthquake.

Please do not hesitate to contact us at the number below if you have concerns and/or anxieties regarding your children.

Specialized counseling for children and young adults who need support or information on any mental health issue. We will refer them to an advisor and/or appropriate service if required.
