- Please see the Ministry of Justice website for more information about the "Specified Skilled Worker" **Residential Status.** 

→ Search for "Ministry of Justice Specified Skilled Worker"

Please see the Ministry of Justice website for information on Specified Industry Fields 

### **New Foreign National Acceptance System** Starts April 1, 2019!

# **A New Status of Residence** "Specified Skilled Worker" has been created

This is a system to accept foreign nationals that have a certain level of expertise and skill and can begin work immediately in response to circumstances of serious labor shortages.

## Specified Skilled Worker (i)\*

This is a status of residence applicable to foreign nationals who work in jobs that require considerable knowledge of or experience in Specified Industry Fields

- to 5 years in total
- Intern Training (ii) are exempt from exams, etc.)
- Training (ii) are exempt from exams, etc.)
- Accompanied by family members: Basically not permitted.

\* The "Specified Skilled Worker" has two types, Specified Skilled Worker (i) and Specified Skilled Worker (ii). Specified Skilled Worker (ii) is a status of residence for foreign nationals engaged in jobs that require proficient skills in Specified Industry Fields.

# **Immigration Services Agency of Japan**

- Period of stay: Renewed annually, every 6 months or every 4 months, for a maximum stay of up

- Skill Standards: Confirmed by exams, etc. (those who have successfully completed Technical

- Japanese Language Level: Proficiency in Japanese language required in daily life and at workplace need to be confirmed by exams, etc. (those who have successfully completed Technical Intern

· Eligible for Support by Accepting Organizations or Registered Support Organizations
