

FY2025

Orugatta Kids

Japanese classroom
for foreign children
(between ages 5-8)
and parents

Children

Learn correct Japanese pronunciation and usage. Make crafts and read picture books.

Parents

Confirm any questions about your child's school newsletter. Consult about any problems or worries you may have.

- Guidance for those looking to enroll in elementary school.
- Introduction to Japanese culture while incorporating Japanese learning.
- An opportunity to consult with language or educational specialists.
